Applicable Software Terms are incorporated herein by this reference. Other than the right to use the JCI Software as set forth in the Software Terms, GBI and its licensors reserve all right, title, and interest (including all intellectual property rights) in and to the JCI Software and improvements to the JCI Software. The JCI Software that is licensed hereunder is licensed subject to the Software Terms and not sold. If there is a conflict between the other terms herein and the Software Terms, the Software Terms shall take precedence and govern with respect to rights and responsibilities relating to the JCI Software, its implementation and deployment and any improvements thereto.

- (d) Fees for Software Subscriptions shall be paid annually in advance, invoiced on the Subscription Start Date and each subsequent anniversary thereof.
- (e) Buyer shall pay all invoiced amounts within thirty calendar days after the date of invoice. Payments not made within such time period shall be subject to late charges as set forth in the Software Terms.

30.3 Where there is more than one Buyer then the liability of each shall be joint and several.

30.4 The Contract shall be binding on the heirs, successors and assigns of the Parties.

If any clause or part of a clause is illegal, unenforceable or invalid, that clause or part is to be treated as removed from these terms, but the rest of these terms of sale are not affected.

35 No alterations

37.2 The requirement to use reasonable commercial endeavours to remove, overcome or remedy any Force Majeure does not require a Party to settle any strike, or other labour dispute on terms contrary to that Parties' wishes or to contest the validity or enforcement of any law, regulation or order by way of legal proceedings.
